FREE CALIFORNIA SECURITY GUARD LIVE SCAN FORM & CHECKLIST

Prepared by A & C Security Group | Security Guard Licensing Resources

Your official form is free. This guide helps you prepare for fingerprinting and avoid common application delays.

1 | Download the official BSIS Security Guard Live Scan form

DOWNLOAD OFFICIAL SECURITY GUARD LIVE SCAN FORM (PDF)

The government form is provided by the California Bureau of Security and Investigative Services (BSIS). Use the Security Guard version—not a form for another license category. The official form remains available without providing an email address.

2 | Complete your BSIS application first

For an initial registration, submit your BSIS Security Guard application before Live Scan fingerprinting, as instructed in the BSIS application. Apply through California BreEZe.

3 | Prepare the correct paperwork

Complete the applicant fields on the official Live Scan request form. BSIS instructs applicants to bring three copies of the completed form. Your name, date of birth, and other identifying details must match your BSIS application. Bring valid, acceptable photo identification; confirm ID requirements with your Live Scan provider.

4 | Understand the fees

BSIS currently lists $32 DOJ + $17 FBI = $49 in government fingerprint processing fees for a standard Security Guard registration, plus the provider's Live Scan rolling/site fee. Confirm the current amount before visiting; fees can change.

5 | Keep your ATI number

After fingerprinting, the operator records your Automated Transaction Identifier (ATI) on your copy of the form. Keep it and your receipt. Check fingerprint submission status through California DOJ Applicant Status (ATI and date of birth required).

YOUR QUICK CHECKLIST

☐ I submitted my initial Security Guard application to BSIS.

☐ I downloaded the Security Guard-specific BSIS Live Scan form.

☐ My personal details match my application and identification.

☐ I prepared three copies of the completed form.

A & C SECURITY GROUP

☐ I have acceptable photo ID and confirmed the total fingerprinting cost.

☐ I kept my completed Live Scan copy, receipt, and ATI number.
